SANCHAR COMMUNICATION SYSTEMS

SBWC-04 BODY WORN CAMERA SYSTEM

Product Features

- · Storage upto 256GB
- IP-65
- One-click photo
- LCD Colour display
- One Click recording
- Password protection
- Super strong infrared
- 3500 mAh Li-ion Battery
- Click photo while recording
- Flash enabled on single click
- Dual microphone noise reduction
- video and audio simultaneous recording
- Unauthorized personnel can not tamper and delete files

The law enforcement **SBWC-04** is a single police law enforcement audio and video recorder developed by Sanchar Communication Systems. It contains a number of latest video and audio processing technologies, with comprehensive functions, reliable performance and independent knowledge, which can be widely used in law enforcement departments such as public security bureau, procuratorate, judicial department, armed police, business sector, and tax department. Law enforcement officers use the equipment at the law enforcement site to record on-site conditions, collect evidence, standardize on-site law enforcement actions, reproduce scene images, and ensure law enforcement accuracy and impartiality.
